

Proposed Braybrooke Battery Energy Storage Community Consultation Events

Aura Power is working to develop a battery energy storage project on land between Harborough Road and the A6, next to National Grid's substation. (see location below). They are offering an online public consultation event as well as an in-person public exhibition to find out more about their plans.

Details of these events can be found below:

Online event: Wednesday 12th March at 6pm

To register to attend the online event please visit:
www.aurapower.com/projects/braybrooke

In-person exhibition: Thursday 13th March 4-7pm

Braybrooke Village Hall

No need to register, just turn up

The webinar will be recorded and the exhibition boards will also be made available on the project website after the events have taken place.

If you would like to speak to the team either in person or over the phone, please do not hesitate to get in touch using the contact details below.
