

Connect with people near you who are growing food

Swap surplus. Share skills. Grow together.

👉 For everyday people — whether you're just starting or already growing

Find people locally who are:

- growing their own food
- keeping chickens or smallholding
- swapping eggs, veg, seeds and plants
- becoming more self-sufficient (even if you're just starting out)

👉 *(even if it's just a few plants or a couple of chickens)*
